Special meetings of the members shall be called by the Board of Directors, Chairperson of the Board, or the President of the corporation, or, if different, by the persons specifically authorized by the laws of this state to call special meetings of the members.

#### **SECTION 4. NOTICE OF MEETINGS**

Unless otherwise provided by the Articles of Incorporation, these Bylaws, or provisions of law, notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called, shall be delivered not less than ten (10) nor more than ninety (90) days before the date of the meeting, either personally or by mail, by or at the direction of the President or the Secretary, or the persons calling the meeting, to each member entitled to vote at such meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail addressed to the member at her or his address as it appears on the records of the corporation, with postage prepaid. Personal notification includes face to face contact, notification by telephone, electronic mail, or by facsimile machine, provided that, in the case of the facsimile notification, the member to be contacted shall acknowledge personal receipt of the facsimile notice by a return message or phone call within twenty four hours of the first facsimile transmission.

The notice of any meeting of members at which directors are to be elected shall also state the names of all those who are nominees or candidates for election at the time the notice is given.

Whenever any notice of a meeting is required to be given to any member of this corporation under provisions of the Articles of Incorporation, these Bylaws or the law of this state, a waiver of notice in writing signed by the member, whether before or after the time of the meeting, shall be the equivalent to the giving of such notice.

#### **SECTION 5. QUORUM FOR MEETINGS**

A quorum shall consist of twenty-five (25) percent of the voting members of the corporation. In the event that a General Meeting does not have a quorum, chapter business may be conducted by mail.

Except as otherwise provided under the Articles of Incorporation, these Bylaws, or provisions of law, no business shall be considered by the members at any meeting at which the required quorum is not present, and the only motion the Chair shall entertain at such a meeting is a motion to adjourn.

#### **SECTION 6. MAJORITY ACTION AS MEMBER ACTION**

Every act or decision done or made by a majority of voting members present in person or by proxy at a duly held meeting at which a quorum is present is the act of the members, unless the Articles of Incorporation, these Bylaws, or provisions of law require a greater number.

#### **SECTION 7. VOTING RIGHTS**

Each member in good standing present or represented by proxy at a regular or special meeting is entitled to one vote on each matter submitted to a vote by the members. To facilitate informed proxy voting, an agenda for each General Meeting shall be circulated to the membership not later than thirty (30) days prior to the meeting. This agenda may appear in the chapter newsletter. Voting at duly held meetings shall be by voice vote or show of hands. Election of Officers and Directors, however, shall be written ballot.

#### **SECTION 8. ACTION BY WRITTEN BALLOT**

Except as otherwise provided under the Articles of Incorporation, these Bylaws or provisions of law, any action which may be taken at a regular or special meeting of members may be taken without a meeting if the corporation distributes a written ballot to each member entitled to vote on the matter. The ballot shall:

1. set forth the proposed action;
2. provide an opportunity to specify approval or disapproval of each proposal;

3. indicate the number of responses needed to meet the quorum requirement and, except for ballots soliciting votes for the election of directors or officers, state the percentage of approvals necessary to pass the measure submitted; and

4. shall specify the date by which the ballot must be received by the corporation in order to be counted. The date set shall afford members a reasonable time within which to return the ballots to the corporation.

Ballots shall be mailed or delivered in the manner required for giving notice of membership meetings as specified in these Bylaws.

Approval of action by written ballot shall be valid only when the number of votes cast by ballot within the time period specified equals or exceeds the quorum required to be present at a meeting authorizing the action, and the number of approvals equals or exceeds the number of votes that would be required to approve the action at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

Directors and officers must be elected by written ballot. Such ballots for the election of directors or officers shall list the persons nominated at the time the ballots are mailed or delivered.

### **SECTION 9. CONDUCT OF MEETINGS**

Meetings of the members shall be presided over by the Chairperson of the Board, or if there is no Chairperson or, if she or he so delegates, or in his or her absence, by the President of the corporation or, in her or his absence, by the Vice President of the corporation or, in the absence of all those persons, by a Chairperson chosen by a majority of the voting members, present at the meeting. The Secretary of the corporation shall act as Secretary of all meetings of the members, provided that in his or her absence, the presiding officer shall appoint another person to act as Secretary of the Meeting.

Meetings shall be governed by Robert's Rules of Order as such rules may be revised from time to time, insofar as such rules are not inconsistent with or in conflict with the Articles of Incorporation, these Bylaws, or with provisions of law.

### **SECTION 10. ELECTION OF DIRECTORS**

Election of Directors shall take place simultaneously with the election of officers. The four officers elected by the membership shall also serve identical terms as Directors of the corporation. The fifth seat on the Board of Directors shall be filled by the most recently elected member of the Executive Committee holding an open seat. The Past President shall serve for two years on the Board of Directors. If there is no new Past President at the end of two years (i.e. of the current president is re-elected), the Board of Directors shall only consist of five members. In the year when two (2) Open Seat members are elected, the Open Seat member who receives the most votes will serve on the Board of Directors.

### **SECTION 11. ELECTION OF OFFICERS**

A written call for nominations shall be sent to the membership not later than ninety (90) days prior to the beginning of the next General Meeting. The nomination period shall be open for thirty days from the postmark of the call for nominations. After the close of nominations, but not later than fifty (50) days prior to the beginning of the next General Meeting, an official ballot shall be sent to all members eligible to vote at that time. The ballot shall be accompanied by a document containing biographical and/or philosophical statements filed by candidates during the nominations period.
